We are all about confidence, credibility and a touch of modern flair. Our mission is to stand out in the social media jungle with a blend of professionalism and personality. We believe in the power of clear, bold visuals and engaging stories to captivate and connect. Our look is clean and contemporary, with a friendly edge that says we're approachable experts.

Hi, I'm **Liz.**

Liz has a broad background in marketing, working in house for big brands such as O2, American Express and PA Consulting, leading brand and marcomms teams. She has also worked for smaller businesses, agencies and start-ups as a marketing consultant and project manager, helping them to plan and execute successful marketing campaigns. Her experience spans both B2B and B2C marketing, in diverse industries. Liz brings her broad experience to the fore when advising businesses on social media strategies, delivering training, and managing their social media.

Presentation
Title.

MAY 2024

Hi, I'm **Kate.**

Kate has a wealth of experience that spans consumer and technology marketing, having worked consultancy-side looking after mega brands and start-ups. She's also been in house as head of consumer PP for Canal Europe and more recently in Sydney at a leading integrated agency working with global brands. She began her career in HP's marketing department and has worked in digital communications for the last part of two decades. Her specialist areas are social and content strategy, influencer marketing, community management and delivering training.

How can we
help your
business?

We are passionate about helping businesses harness the power of social media. Whether you're a small or large business, social media – done well – will positively impact your brand and business.
