Project Proposal.

Project Goals.

One.

Establish a strong identity for this business to become the go-to option for dietetic students (with room to grow as a community hub the future).

HOW I CAN HELP

My branding process will ensure you're in the loop and 100% happy at every stage, to make sure your brand sets the perfect visual tone.

Two.

Get the main brand identity and landing page launched in time for the end of April so early pitching and sign ups can begin.

HOW I CAN HELP

I have put together a fully custom brand package to get the most urgent priorities done in time for your launch date.

Three.

Explore options for extra branded materials in the future, after the main brand identity is finalised and launched.

HOW I CAN HELP

I've put together a rough guideline of additional services beyond the main brand identity that you can pick and choose from, or we can discuss further!

Project Stages.

Let's Chat.

Once you approve this project proposal, I'll send a short project contract for you to sign, followed by an invoice for your 50% deposit. Upon payment, your start date will be secured and welcome pack sent!

Getting Organised.

We'll kick off by scheduling your brand audit ideally on your start date (either an online questionnaire or a brand audit call). During this audit, we will deep dive into your values, goals and audience to create a strategic blueprint for your brand.

Creative Crossroads.

With your strategy in hand, I'll explore your brand visuals and present two routes of creative direction in the form of moodboards. We'll discuss the two options, and you'll have the choice of how we proceed.

Let The Fun Begin.

Once we've found the perfect creative direction, it's time to bring your brand to life! Your in-depth brand concept will be presented, and you'll have two rounds of amends included if you need them.

Rolling It Out.

When your logo and brand style is approved, I'll start creating the rest of your assets, including your brand guidelines. You'll have one final round of amends to refine the details if needed.

The Grand Reveal.

It's time to show off your new brand! With everything perfected and final payments made, you'll receive all the files and guides you need for a seamless takeoff into the world!

Project Timeframe.

1	Start Date.	This is the date my full availability begins, but as we're expediting the strategy stage I think we can get this done a bit earlier over the Easter weekend (this will be an online questionnaire for you to fill out)	2nd April 2024
2	Brand Design.	If you accept this proposal, I'll keep the 2nd - 16th free for your project. I am travelling to Bali from the 10th so timezones will be a little different from then on, but I am still working & available :)	2nd-16th April 2024
3	Brand Launch.	Assuming all goes well and we can get all project stages reviewed & approved in a timely manner, I'm hoping we can launch in 2 weeks!	16th April 2024
4	Extras.	If you choose to go ahead with the optional Extra (single Squarespace landing page) then I would book that in straight after your brand.	16th-19th April 2024
5	Extras Launch.	If you choose to go ahead with the optional Extra (single Squarespace landing page) then I would aim to have this completed the same week as your brand.	19th April 2024

Dates are estimated and dependent on timely reviewing and approval.

Beyond This Project.

£ 2 5 0 / D A Y

£ 3 5 / H R

First I think we should focus on the main brand identity and get your brand design, Powerpoint template and landing page complete.

Then once the business is launched, I can also help out with further branded materials like social media, artwork of digital resources, or animations.

This is an estimate of timings for these materials.

Social media templates.

Editable in Canva. I can usually get 8-12 done in a day depending on the complexity of the posts.

Digital resources.

Such as training sheets, exercise sheets, curriculum overviews, calendars, infographics etc. Will need to be quoted/discussed but roughly 2-3 hours per page.

Animated reels.

Unfortunately I can't make these editable in Canva. Usually 1-2 days depending on the complexity.

Suite of icons/illustrations.

Will need to be quoted/discussed but roughly 1-2 days, depending on amount of icons/illustrations needed.

Next Steps.

Once you've taken a read through this proposal and considered how you would like to proceed, here's the next steps.
